

Analysis of Title

Tract 161.

Jack Franklin, Jr.

This tract is identical in title with the title of the eastern portion of Tract 160. It is covered by Grant 967 to B. B. Olmstead and also by Grant 1000 to A. C. Wiggins. The title under Grant 1000 down to Charles E. Randall will be found set out on pages \_\_\_\_\_ of the Abstract of title to Tract 160, and will not be repeated here. The title under Grant 967 down to and including the judgment in the case of Giles M. McAden, et al, heirs at law of R. Y. McAden against C. E. Randall will be found referred in the Abstract of Title to Tract 160, pages \_\_\_\_\_. Through the titles acquired by said Randall as above indicated both through Grants Nos. 967 and 1000, he became vested with title to a tract of land including Tract 161. The title from this point is as follows:

1. C. E. Randall and wife, Ellen, by deed dated January 30, 1919, conveyed to W. C. Randall and wife, Anna Randall, a tract of twenty acres described in the deed as "second Tract" which covers tract 161 under investigation. This deed is recorded in Swain County. Page 627 of Abstract.

2. We then find a deed from W. C. Randall and wife, Annie Randall, to R. F. Hall dated April 5, 1919, conveying the same tract of twenty acres of land. This deed is recorded in Swain County. Page 624 of Abstract.

3. By deed dated December 3, 1920, R. F. Hall and wife, Biddie Hall, conveyed to L. B. Woodard a tract of land calling for twenty-eight acres, being the same lands described in the foregoing deeds. This deed is recorded in Swain County. Page 621 of Abstract.

4. On December 20, 1925, L. B. Woodard and wife, I. N. Woodard conveyed this tract of twenty-eight acres to A. J. Franklin, Jr. This deed is recorded in Swain County. Page 630 of Abstract.

Mr. Zebulon Weaver,  
Bryson City, N. C.

Dear Mr. Weaver:

In regard to the land of A. J. Franklin and Frankwood Mfg. Company, purchase price of which is \$400.00.

If the title is satisfactory to you on these two tracts, Mr. Rhoades says it will be all right to take deeds.

These parties have subscriptions to the Park amounting to \$450.00. The original subscription was \$500.00 and shows a credit of \$50.00.

Mr. Franklin has always expressed that it was his wish to pay his subscription when his land was sold. Therefore, it is likely he would be willing to sign the deed cancelling \$400.00 against his subscription. This will leave \$50.00 outstanding against him on the subscription.

If you can close it this way, Mr. Rhoades suggests that it be done.

Yours very truly,

His lands are not worth
